

Record Attendance Basket Ball Tourney

TWICE AS MANY FANS ATTENDED THIS YEAR'S TOURNEY

In actual figures, 1,001 more fans were present at the recently held basketball tourney than witnessed last year's meet. The total number of persons who paid to see their favorites in action was 2,212 compared with last year's total of 1,211.

After the smoke of battle has cleared away comes the task of dividing up the do-re-mi taken in. First the officials receive their fees for handling the games and the balls, trophies, etc., are paid for. Then the remaining amount of money is divided up into three parts. One-third is used to settle for the expenses of the visiting teams; the state gets a third, and the entertaining school gets the rest.

During the past two years Grayling High school teams haven't fared so badly at all. Out of 34 games played, including tournament games, the Green and White has accounted for 29 wins. By no means were these easy victories because the Northern Lights have been tangling with the class of the North including Boyne City, Charlevoix, Alpena, etc. At every one of these places where Coach Cornell's squad played, this season large crowds attended the games. Grayling's good sportsmanship and the way our boys conduct themselves when playing out of town schools is well known throughout the North and it isn't much of a task to arrange a schedule. Already this year many requests for games have been turned down because the team is allowed to play only 17 games.

SPRING OPERETTA CAST ANNOUNCED

The cast for "And It Rained," musical comedy by Lee and Clark to be presented April 2 by the High School Glee clubs, has been announced by the director.

The part of Mr. Wise, proprietor of the Wise Hotel, will be taken by Ransom Murphy, a senior. His wife, who is boss of the Wise Hotel, is Virginia Skingley.

Mademoiselle Marie Caray (accent on the Ray) is manager of a troupe of French dancers, and is Faye Wells.

David Ward takes the part of Dennis Black, a college student, and Naomi Wheeler will be his feather-brained sister, Maizie. Their father, Steele Black, is played by Walter Skingley.

The sweet reserved Maibelle Rich is Frances Ensminger; her brother Curly, another popular college boy, is Theon Deckrow; and their millionaire father is played by Bret Connolly.

Forrest Bradlow and Jack McClain are two members of a college Glee Club, and Monica Hewitt sings the part of an Indian maiden, Moonflower.

These together with the choruses who dance and sing, make up a cast of sixty, not to mention the dancers who under the direction of Mr. Robinson will give specialty numbers.

McClanahan Oil Co. Holds Annual Meeting

ESBERN HANSON, JOHN BRUUN RE-ELECTED ON BOARD

The McClanahan Oil Co. held its annual meeting at the hotel Detroit-Leland, Detroit, last Monday. It will be of especial interest to know that Esbern Hanson and John Bruun were re-elected members of the board of directors, and Mr. Hanson re-elected vice president. Mr. McClanahan, who is more of a resident of Grayling than of any other city, continues as president.

The company now has 2,200 stockholders of which many were present in person at the meeting. The company showed a net profit last year, before depletion, of \$319,787.81. There are many stockholders among our Grayling citizens to whom this fine showing must be highly gratifying.

The company has over 30,000 acres in Michigan under lease, some of which is very promising. Some of this is not proven but has potential prospects.

Secure New Geologist. The company feels that it is most fortunate in securing the services of Wm. A. Thomas, a highly successful geologist to assist in the Company in its explorations. Mr. Thomas for the past 12 years has been the geologist for the Pure Oil Co. Mr. Bruun says that the prospects of the Company for this year are very promising.

OWNER CAN REDEEM PROPERTY FOLLOWING THE MAY TAX SALE

Setting at rest conflicting reports that are being spread about the country relative to the state tax sale to be held in May as is now being advertised in the *Avalanche*, and in other counties about the state we print herewith just what one can expect should he invest in a tax sale purchase, as outlined by the Cheboygan Observer.

"After the sale, the former owner has 12 months in which to go to the tax title buyer and regain his property by paying the sale price plus 30 per cent. At the end of 12 months the buyer is obligated to notify the former owner that the direct redemption period is past and file a copy of the notice with the county clerk. For six months more, the former owner has the right to reclaim his land at 150 per cent of the sale price. After that time it is irrevocably the property of the tax title buyer."

Scrutinizing this carefully, you will understand it is no different than the law that governed former tax sales. The report, however, has gained credence that one must wait for at least ten years before he can lay undisputed claim to property and the title to same be cleared. The only difficulty a person will experience now is to properly locate the property he seeks to purchase by tax sale. No descriptions are published whereby one

Herbert Parker Pneumonia Victim

PASSED AWAY AT HOME TUESDAY

Grayling friends were greatly saddened this week by the death of Herbert Parker, who passed away Tuesday afternoon, March 17, at his home, only five days after he was stricken with pneumonia.

The deceased was 62 years of age and was born at Lock, Mich., November 6, 1873. He came to Beaver Creek with his parents, the late Mr. and Mrs. Lewis Parker, when he was only a boy of seven years and he had been a resident of Crawford county ever since.

In 1897 he was united in marriage to Miss Rosa Mettarr, of Beaver Creek, and they established a home there. To this union seven children were born, five of whom are still living. Mr. Parker took active part in county affairs, holding the office of township treasurer of Beaver Creek township for several years.

The family moved into Grayling over twenty years ago and Mr. and Mrs. Parker have made their home here ever since. During that time he had proven himself to be a valuable citizen. Always a man of high ideals, Mr. Parker endeared himself to all who knew him. Mr. Parker operated the "Notion" store for many years, selling out to the present owner, E. E. Bugby. He was a mason by profession but during the difficult years of the depression he had been unable to follow his trade and accepted employment with the County Road Commission, with which he had been connected for the past four years.

He was a member of the Ancient Order of Gleaners, Order No. 545, and for the past ten years held the office of chief Gleaner. He will always be remembered by the members of the lodge as one who did everything in his power to promote the good will of his organization and to serve his office faithfully and honestly.

Surviving besides the widow are two daughters and three sons, Claude, Edward, Milford, and Miss Grace Parker, all of Lansing, and Mrs. Axel Peterson, of Grayling. Also seven grandchildren.

Funeral services will be held Saturday afternoon at 2:00 o'clock at Michelson Memorial church. Rev. Edgar Flory will officiate and interment will be in Elmwood cemetery. The remains will lie in state at the church from 1:00 until 2:00 o'clock.

Those here from out of town to attend the funeral are Mr. and Mrs. Claude Parker and family, Edward and Milford Parker, Miss Grace Parker, and Miss Princess Nallet, all of Lansing.

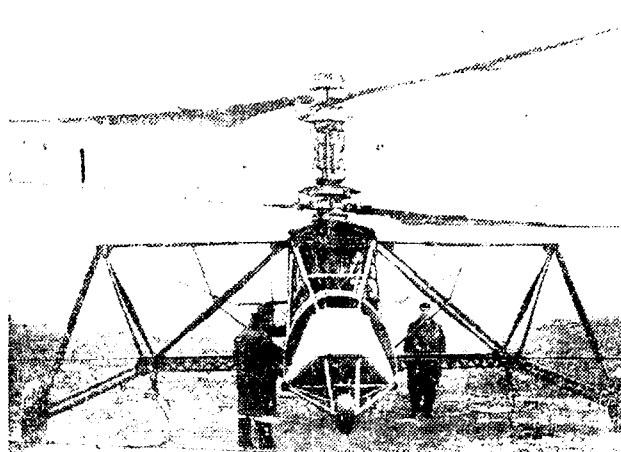

The *Avalanche* joins the many friends in extending sympathy to the family in their sad bereavement.

can locate a possible investment, if he covets a neighbor's property, or a piece that he has been negligent on them of course he can follow that through successfully, but seeking an investment, thousands of pieces of property will be on sale but no one will be acquainted with what those pieces are or where they are, because of the long tedious job of locating them through the records as his command, and that will no doubt be much in demand by others in attempting to acquaint themselves with tax sale possibilities and opportunities. Thousands of acres will revert to the state because of this haphazard attempt to reduce advertising costs. What will be saved in advertising expense will be greatly overshadowed by the loss of sales, and the money that could be received because of sales. It is an unfortunate piece of state blundering, inaugurated through a shameful and reckless disregard for our state laws and practiced and continued by a vacillating legislature that counted votes of more consequence than sensible business practices.

DELINQUENT TAX SALE
Notice of sale of property by the State for delinquent taxes appears elsewhere in this issue of the *Avalanche*. Descriptions of property do not appear as was the former custom. For that information go to the county Treasurer. 3-12-5

Weather Severe in China
China is exposed to the full blast of the northwesterlies from North Asia. Northern China experiences exceptionally severe winter weather, the coldest in the world for its latitude. The winter period is short and very windy.

France Has a Plane Without Wings

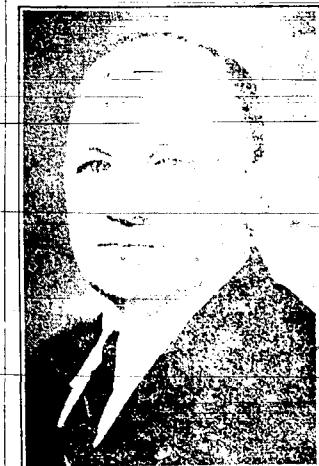

WITHOUT wings and with propellers doing double duty, this new gyroplane presents an unusual sight indeed. The propellers not only act in windmill fashion to sustain the craft in the air, but they also propel it. The plane is equipped with a Hispano motor and was piloted by Maurice Claisse in extensive tests.

Legionnaires Attend 10th Dist. Rally

Some 350 or more delegates, many more than were anticipated, attended the 10th district meeting of the American Legion in Bay City Tuesday night. District Comm. William Alfred Hanson presided at the meeting and a fine compliment was paid him when 17 members of the Grayling Post and Auxiliary attended the rally.

David V. Addy, state department commander, Detroit, and Fred Munnell, state membership director, Jackson, were the speakers at the business meeting that was held at 5:30 o'clock in the Chamber building. For the Auxiliary meeting, the ladies had the honor of having Miss Agnes

ALFRED HANSON, District Comm. member

Dunn, national vice president of Bad Axe with them. Fifteen posts in the 10th district were represented with several present from Saginaw and Oaxaco representing the 11th district.

The day's meeting was concluded with a dinner dance at Paradise Beach, when over 350 delegates sat down to a fine banquet. Earlier in the afternoon the visiting ladies were entertained at a nicely appointed tea by the ladies of the Bay City Auxiliary.

Those who attended from Grayling included Mr. and Mrs. Alfred Hanson, Mr. and Mrs. Adolph Peterson, Mr. and Mrs. Frank Decker, Mr. and Mrs. Otto Fellner, Mr. and Mrs. Sam Rasmussen, Alvin LaChapelle, Neal Mathews, Wilfred Laurant, Clarence Johnson. All were generous in their praise of the fine time had at the meeting. The next meeting is to be held at Blanchard some time in April.

Grayling Post is seeing one of the biggest years in its history.

Couple Celebrates Golden Wedding

MR. AND MRS. ED CLARK RECEIVE FELLOWSHIP OF FRIENDS

The happy occasion of the golden wedding of Mr. and Mrs. Ed Clark was celebrated at their home in Grayling Tuesday evening, March 17. The celebration was held at 7:30 o'clock and was attended by a large number of friends and relatives. The couple were married 50 years ago in 1886.

Mr. and Mrs. Clark have three children, Mr. and Mrs. E. J. Clark, Mr. and Mrs. E. L. Clark, and Mr. and Mrs. E. W. Clark. They have a total of 12 grandchildren.

Public Opinion

Give The Birds A Break.
The birds are getting to be a nuisance in many places. They are everywhere and are doing a great deal of damage to the crops. It is time to take action against them.

Legion Jottings

The Dog Ordinance.
The dog ordinance is a very important one. It is necessary to have a law that will protect the public from dangerous dogs. The ordinance should be strictly enforced.

Womans Club

The Woman's club meeting was held Monday evening at the home of Mrs. J. P. Schmidt. The meeting was very successful and a large number of ladies attended.

The ladies listened with great interest to Mr. Munnell's address. It was a very interesting one and was well received by the audience.

Miss Merton Wright read a paper on "Development of Mass Church." The paper was very interesting and was well received by the audience.

The next meeting will be held on Tuesday at the home of Mrs. J. P. Schmidt. The ladies are looking forward to it with great interest.

Hospital Notes

Those admitted to hospital during the week:
Louis Zwick, Detroit.
John Bielenda, Detroit.
Noreen Elliott, Grayling.
Phelomena Krause, Waters.
Michael G. Rogcke, Gaylord.
Mrs. Davis Blanche, Gaylord.
Those dismissed during week:
Mrs. Rose Kestennoltz, Roscommon.

SEXUAL PROBES FEDERAL COSTS

At the request of Senators B. A. Howell, of South Dakota, and B. A. Howell, of New Jersey, Republican, the Senate has passed a bill to search for a comprehensive plan for the regulation of the whole sex industry.

NOTICE—TOWNSHIP BILLS

Any one having bills against the Township of Grayling should present them at once, and not later than March 25th.

Samuel Smith, Twp. Clerk

NOTICE

There will be a special meeting of the Crawford County Board of Supervisors, Friday, March 20, at 1:30 o'clock at the courthouse.

Shoppenagons Cocktail Room

For a pleasant time with friends, drop in at the Grill, where you are always welcome and where you will be comfortable, amidst pleasant surroundings.

And you may get your lunch here too if you desire.

Shoppenagons Inn
Grayling Michigan

Tag Day for School Milk Fund Sat.

The Woman's Club is sponsoring a Tag Day for the benefit of the milk fund, Saturday, March 21st.

The Club has sponsored this very worthy object for some eight years and during this time it is hardly possible to estimate to what extent the serving of milk in the school has helped in preserving health among the children of the community.

Every child needing milk has received it free of charge if unable to pay for it, while those wishing it as extra nourishment and have been willing to pay for it have been served also.

During the winter of 1933-34, 2,522 half pints were served;

1934-35, 2,538 half pints were drunk, while from Nov. 1935 to March 9, 1936, there has been 2,585 half pints served, showing the popularity of this highly nutritive lunch between meals, for growing children.

The tags will be sold by the Boy Scouts and Camp Fire Girls and prizes will be awarded to those selling the most tags.

Two groups from the Woman's club have charge of the sale of tags—Mrs. C. J. McNamara and Mrs. Jesse Sales are chairmen of the groups.

Any amount may be paid for a tag from 1c to \$1.00 or more will be gladly accepted. So let's get behind the project and boost the milk fund.

LET'S HAVE THE TRUTH

Ever since the year 1929 there has been an effort on the part of the people of this community to further the construction of a cross state highway connecting Travers City and Harrisville. That year and county was represented by its board of supervisors, with M. A. Bates as speaker in a meeting held at Kalamazoo, at which time representatives were represented by their supervisors.

The meeting was for the purpose of having a vote. And it resulted in a vote of 10 to 10, the vote being tied. The county was represented by its board of supervisors, with M. A. Bates as speaker in a meeting held at Kalamazoo, at which time representatives were represented by their supervisors.

The meeting was for the purpose of having a vote. And it resulted in a vote of 10 to 10, the vote being tied. The county was represented by its board of supervisors, with M. A. Bates as speaker in a meeting held at Kalamazoo, at which time representatives were represented by their supervisors.

South Side Locals

Joseph Bieliski was taken to Mercy Hospital late last night, very ill.

Little Barbara Simpson is 14 at her home with the flu and unable to be in school.

Bill Hunter is driving a new Plymouth coach, purchased last week.

Donald Charron is spending this week visiting with relatives at Flint and Trenton.

Neil Matthews is driving a '35 Chevrolet, which he purchased recently from Alfred Hanson.

Mr. and Mrs. Roy Welcott enjoyed a visit Monday from Mrs. Welcott's cousin, Cyrus LaBuck, of Bay City.

Eliwood Robarge returned Wednesday of last week from Flint where he had been visiting for some time.

Charles Wyke is enjoying his spring vacation from Olivet college, coming Monday, and is visiting at his home.

Guests over the week end at the home of Mr. and Mrs. Joseph Bieliski were Mrs. Bieliski's mother, Frank Waskowick, and sister, Miss Frances, of Detroit.

Miss Viola Markey celebrated the anniversary of her birthday Sunday, and a group of her friends met at her home to help her celebrate the evening a memorial one.

Mr. and Mrs. William Hunter and family, accompanied by Frank Math, drove to Flint and spent the week end visiting their daughter, Mrs. Jack Keely, and family.

Mr. and Mrs. Floyd Gushen and daughter, Janice, Henry Wyke and Mr. and Mrs. L. M. Markey and daughter, June, of Bay City, spent the day.

Thursday being the birthday anniversary of Miss Josephine Dunn, a number of her friends were entertained at a party at her home. Miss Stanley Lutz was the hostess.

Frank Math returned yesterday to Kalamazoo, where he will work during the spring term of his course. He was out of the hospital for the first time.

Compliments, Mrs. Wallace Lund, a friend of Mrs. Lund, and a number of other friends, were entertained at a party at her home. Mrs. Stanley Lutz was the hostess.

Mr. and Mrs. Dan Owens, of a very pleasant evening, a party was given at their home. Mrs. Owens received many lovely gifts.

The only complete low-priced car

Chevrolet's
high-compression valve-in-head engine
gives economy without equal!

Every test proves it's more economical . . . Every Chevrolet owner knows it's more economical . . . And every person will readily understand these simple A-B-C reasons why it is more economical

The Chevrolet engine is the most economical automobile engine produced today, because (1) it is a six-cylinder engine, and (2) it is a valve-in-head six-cylinder engine. . . . Its six cylinders use less gas and oil—in fact, use the least gas and oil—because six cylinders are the most economical combination used in modern automobiles. . . . Its valve-in-head design cuts gasoline consumption still lower because there is less loss of heat through the walls of the combustion chamber in valve-in-head engines, and the advanced construction of the Chevrolet engine gives maximum heat (or power) saving. . . . Most important of all, Chevrolet's more efficient cooling system, pressure stream oiling and the greater accessibility of all working parts result in more dependable operation, over a longer period of time, with the lowest maintenance costs.

Camp Fire Notes

Wetomachick Notes

The Wetomachick Campfire girls will assist the Wengan's club in selling tags Saturday, March 21, 1936. They are to meet Mrs. McNamara at her home at 10 o'clock Saturday morning for the tags and boxes. During the absence of Betty Christenson, Marion Kasper will act as scribe. Betty has gone to Ann Arbor for a few days. We hope she will not be away long. We are making plans for a summer camp.

Our next meeting will be March 27th at the home of Mrs. Flory. Before this meeting the girls are to make a thorough check-up on their requirements for the rank of Woodgatherer. At the April Council Fire we hope each girl may receive this rank.

Celebrate 24th Anniversary Of The Organization Of Camp Fire

On Tuesday, March 17, 1936 at 6:30 o'clock, all twenty of the Wetomachick Campfire Girls met at the home of their president, Virginia Peterson, where they celebrated with a birthday party the 24th anniversary of Campfire and the birthday of one of their members, Mildred Craft.

The table was decorated with green and white. There were shamrock place cards, shamrock doilies, shamrock napkins, and a center piece of calla lilies and ferns in a white bowl. Lois Bradley was chairman of the table committee.

The menu consisted of chop suey, boiled potatoes, pickles, rolls, green tello and cake. The Campfire birthday cake was made by Marguerite LaChapelle and Mrs. Craft sent us one to celebrate Mildred's birthday.

After dinner the Birthday Council Fire was held. Virginia Peterson accompanied the girls as they sang "who-who" and formed a semi-circle about the seven candles which represented the seven laws of the fire. The girls repeated the Woodgatherer's Desire and then the seven candles were lighted by seven girls who recited verses for each law.

Poems were read by Mary Jane Joseph and Joyce Heath. Mrs. Flory talked to the girls of several things in nature they should surely see this spring. They are a bluebird, a skunk-cabbage-a-bloom in the swamp, a flock of red-winged blackbirds, the sun coming up at dawn, a

ploughing a field, a field green with sprouting seeds, and a dandelion.

Each girl showed her hostess book which she has been making for her Birthday Honor. After extinguishing the candles the girls sang their Campfire Prayer. Jerome Mathews and Mildred Craft helped plan the Council Fire.

This first Birthday party and Council Fire was a meaningful and impressive event which we will not soon forget.

High School Group

Last Thursday evening the High School Group of Campfire Girls met at the annex. Due to the absence of our chairman the meeting was conducted by our vice chairman, Erdine Larson. We decided that our Campfire colors will be brown and orange representing the log and flame. Instead of wearing the usual white middie and black skirts we plan to wear orange waists and brown skirts to go with our camp colors. Brown armbands were suggested at our last meeting, with orange lettering, Grayling C. F. G.

The cast for our play was chosen. We plan to start working on it at our next meeting. After the business was discussed, the meeting was adjourned.

Kathryn Carr, Reporter

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

THURSDAY, MARCH 20, 1913

Miss Nola Sheehy has been on the sick list for a few days.

Miss Anna Boeson visited friends in Bay City Tuesday and Wednesday.

R. W. Brink returned last night from Glenary where he purchased a horse from Eugene Kendrick.

Mr. and Mrs. Olaf N. Michelson will entertain a few gentlemen friends this evening in honor of Fred W. Michelson, of Detroit.

Paul Ford is acting as expert dispenser of ice cream-soda Fizz-doodles at the Central Drug store, during the absence of "Jimmy" Ford.

The William Graham family at Lewiston is having a lot of sad misfortune. The dread disease, diphtheria has entered the home and last Saturday carried away two of their sons. There is still one more case in the family. One son is employed here at the round house.

Members of the Rebekah lodge honored Miss Esther Kraus last week Wednesday night at the home of Mrs. Geo. McCullough, by giving her a reception in anticipation of her approaching marriage.

Miss Grace Angers, who has been one of the nurses at Mercy Hospital for some time, has gone to Big Rapids where she will become a sister. While here Miss Angers endeavored herself to many patients as well as the physicians and those connected with the hospital, whose best wishes go with her.

Mrs. M. A. Bates, Mrs. Wilhelm Raab, Mrs. Wm. McNeven and Miss Bertha Woodburn were in Bay City Monday to receive the degrees in the Bethlehem White Shrine. Mrs. J. C. Burton accompanied the ladies to be present at the meeting and were royally entertained at a dinner given by Mrs. Sarah Phelps and Mrs. E. Phelps of West Bay City.

We had an item in last week's paper announcing the death of W. F. Brink's dray horse. We were a little premature in this as he didn't die until Saturday. We hope this didn't have anything to do with shortening his

life. The old horse, Dan, was a favorite upon our streets. He was raised by Adelbert Smith and later sold to Dr. O. Palmer and then to W. F. Brink. Mr. Brink expects to have another horse next week and will be ready for business once more.

The electric lighting system at the Michigan Central round house is about complete and is a great improvement over the old condition.

The machine shop at the M. C. round house has an addition of a new LeBlond lathe and plane to assist in turning out the work.

Mrs. H. A. Bauman and daughter Helen, have returned from Bay City where the young lady has been undergoing medical treatment.

The Grayling Machinery Repair Co., agents for the Ford cars, say that people who expect to buy autos this year are going to be disappointed upon delivery unless they get their orders in early, as all the factories are rushed with orders. The condition is the same with all manufacturers.

The Grayling Entre-Nos club was organized at the home of Mrs. J. C. Burton last week with 14 charter members.

The vote upon raising \$3000 additional school bonds at the school house last Thursday resulted in carrying the proposition by a vote of ten in favor to three votes against. A fund of \$5000 was appropriated last fall but the committee found it inadequate for erecting such a building as was desired. It is believed, with \$8000 now available, that a building suitable for school purposes may be erected to accommodate the needs of the fast-growing south side of the village.

Mrs. C. Robinson left yesterday morning for Owosso to take care of the "kids" while Janette and the major, M. J. Phillips are on a trip to the south and west.

Mr. Fred E. Michelson, of Detroit, son of Nels Michelson, of this city and Miss Sarah Kelton, of Bay City, will be united in marriage at the latter city next Wednesday, March 28.

A fine banquet was enjoyed by the members of the "500" club last Thursday afternoon as a

fitting close of a series of 8 contested games. Mrs. Claud Keyport had the highest score and Mrs. Charles Canfield the second highest. An election of officers was also held. Mrs. Charles Canfield was elected president, Mrs. Addison Lewis, vice president and Mrs. Esbern Hanson secretary and treasurer.

The following officers were elected at the Moose lodge last week Friday night, for the ensuing year:

Past Dictator—Hans Petersen. Dictator—James Overton. Vice Dictator—Richard Tovey. Prelate—Grant Sheffnerberger. Secretary—James Wingard. Treasurer—Herluf Sorenson. Inner Guard—R. Beeraft. Outer Guard—Chas. Mason. Trustees—John Kelley, R. W. Brink, P. C. Peterson.

A giant Easter lily with several smaller ones and a lot of choice fresh eggs make an attractive window at the store of H. Simpson. It is the work of Harry Simpson and is very clever.

The new nickel has an Indian head on the face and the figure of a buffalo on the reverse side.

From the Cheboygan Democrat: The Onaway basketball team defeated the Grayling high school team by the score of 44 to 30. A large crowd attended the game which was fast and interesting. The Grayling lads proved a surprise to the Onaway boys and the first half ended with only one point between the two teams. The second half was rougher than the first; both teams taking a hand and foot in the rough stuff. The star of the game was Joseph Grayling's giant center was there from start to finish.

Engine No. 8194 on train No. 207 broke a tank wheel at Roscommon last Tuesday and engine No. 3215 had to take the train through to Mackinaw.

Last Monday evening the ladies of the Good Fellowship club laid aside their usual course of study and invited the gentlemen to help them celebrate the memory of St. Patrick at the home of Mr. and Mrs. Marius Hanson. Miss Alveretta Irving received honors for the ladies and Holger Hanson for the gentlemen.

School Notes (23 Years Ago)

The high school boys have organized a baseball team.

Edith Austin of the second grade has been ill for the past week and is not yet able to be in

school. Minired Bechraft is spending a short vacation at Silverwood. Heiden Bauman has returned to school after several weeks of illness.

Price Spoor is missed from the eighth grade, his parents having moved out of town.

Fred Carr has left school, the family having moved to West Branch.

Baseball Notes (23 Years Ago)

Every Detroit paper has something good to say about Ray (Red) McKee. His photograph appeared no less than six times in various papers recently and from all indications he will be one of Detroit's three catchers for the coming season.

Word has been received here that "Baldy" Spencer who is at present attending school at the M. A. C., has received an offer from Clark Griffith for a tryout with the Washingtons of the American league. It sure is some honor to be on the same pitching staff with Walter Johnson, the greatest of them all.

Bibbins, Grayling's last year's catcher and center, will be back again this spring. Welcome "Bib".

Wilfred Laurant, alias Dago, has signed a Flint contract.

Jimmie McMann, who played here a part of last year, nets a tryout with Jackson.

Lovells Locals (23 Years Ago)

Martha Stillwagon is at home here for her Easter vacation.

Ben Boutel, a former resident of this place, but now of Detroit, was a pleasant caller on Tuesday.

Herbert Hennessy left last Monday for Pine River where he expects to go into business with a brother-in-law. We are sorry to see him go but we wish him every success.

Miss Julia McCormick attended the St. Patrick's dance in Grayling Monday evening.

Mr. and Mrs. E. S. Houghton enjoyed the production of the "Princess of Peat" at Grayling Thursday evening last.

Farmers To Make Cellulose From Weeds

An ever-increasing market in industry for farm crops is forecast by successful experiments with plastic and vegetable oils at Edison Technological Institute, R. H. McCulloch of the Ford Motor Company recently told members of the Farmers National Grain Association at a meeting in Chicago.

Experiments at Edison Institute have been directed not only toward developing uses for soy bean derivatives but also toward perfecting a simple processing plant which can be economically set up on the farm, and toward developing suitable industrial materials from other farm crops, the speaker indicated.

Progress in the experiments in recent months has included the production of usable benzyl cellulose which may be made from cotton, wood, plant stalks, or even the stalks of weeds, the Ford representative said. The plastic obtained from this source, he said, in some cases be used to replace thin sheet metal parts, such as automobile instrument panels.

Henry Ford, sponsor of the institute, has expressed his faith in the permanence of the work accomplished by announcing last fall plans for a large department in the Ford Rouge plant to be devoted exclusively to processing and marketing farm products, the fourth group was told. This new department, the speaker said, was supplemented by a new plant which for several years have been processing soy bean oil and plastic products to the Ford factory.

Reviewing the use that has been made of soy bean products, the speaker pointed out that 1,000,000 gallons of soy bean oil were used in 1935 in the enamel for painting Ford cars. In addition, oil is used as dry bond in the foundry, in soft soaps, and in the production of glycerine used in the shock absorbers. Moulded plastic obtained from the meal is used for horn buttons, light switch handles, distributor caps and covers, the gear shift lever ball, window trim strips and other similar parts, he stated.

"Mr. Ford has said 'I see the time coming when the farmer not only will raise raw materials for industry but will do the initial processing on the farm,'" the speaker said.

"In 1930, Mr. Ford decided that increasing the use of agricultural produce in industry should be one of the main problems of the Edison Institute and should receive attention from those in the Ford Motor Company interested in research.

"Since that time there have been constantly employed in excess of 20 men on this research, besides the farmers necessary to raise the crops under consideration."

The progress that has been made, the speaker said, "is only a start on the thousand mediums for a closer union of agriculture and industry."

Life begins at forty and so do fallen arches, lumbago, bad eyesight, and the tendency to tell a story to the same person three or four times.

Diet For High Blood Pressure

In answer to a number of questions regarding the correct diet for high blood pressure, it may be said that the dietary factor in treatment is a very important factor in the control of the condition.

The type of patient most amenable to dietetic treatment is one in the age group between 40 and 50 years, who is relatively of average weight, fairly strong and a steady consumer of ten pounds. These patients usually are about 20 to 30 pounds above the ideal weight at the age of 25 years and they tend to be nervous and "high strung," being easily "freaked" in endurance for sustained mental or physical effort. In these individuals a reduction in weight efforts a decided reduction in the blood pressure.

There are three factors of positive significance in causing high blood pressure. One is the family history, another is the driving, nervous personality, and the third is obesity. Of these, certainly the factor of overweight is most easily controlled and, often, its control changes the present to form a normal condition. As a factor for normal weight, that at the age of marriage in women, and at the age of 25 in men may be taken as the ideal. The reduction diet is simple and consists of milk, eggs, meat, vegetables and fruit. It is low in sweets, fats, pure starches and the total of calories. One can follow a well-balanced diet of cereals, meats and avoid excessive amounts of fattening foods, such as sugar, fat and starches.

Protein should be restricted to meat once a day, for the high blood pressure patient. In all cases the periodic physical examination is necessary and further dietary restrictions, with or without weight on the kidneys in such cases. An entire salt restriction is quite unnecessary in uncomplicated cases of high blood pressure, but, in general, salt, meats, seasoning and stimulants (except coffee) are to be avoided because they make it more difficult to remain on the restricted food intake.

Quite often digestive disturbances are present but, again, when the diet is supervised by a physician and the weight decreases, when the digestive system is not troubled by these practices, many studies of the patients' condition have shown that the patients of this kind, who were found in seven.

In the United States there are 140,000 deaths annually, caused by high blood pressure and its complications. But, the only remedy is a diet, which is a very important factor in the opportunity for improvement in health.

RAIL TAXES KEEP SCHOOLS FROM CLOSING

Advance Payment of Levies in Town with Many Unemployed Prevents Interruption of Children's Education

Illustrating the human side of railroad taxes, L. A. Downs, President, Illinois Central System, in a recent statement, relates how an advance payment of railroad taxes enabled a town to keep its schools open.

"In hundreds of communities along its line the taxes paid by the Illinois Central System are a large part of all local taxes," said Mr. Downs. "This was the case in one town where a big factory had burned, many were out of work and local taxes were depleted. It looked as if the schools would have to close."

"In this emergency everybody was asking the railroad's taxes were due. The little daughter of the mayor heard of it and suggested to her father that the railroad be asked to advance the date of its payment. He asked, the railroad paid, and the school stayed open."

"There are times, of course, when the railroad would not be in a position to render this special accommodation, but when there is a real emergency and when we can consistently respond we take pleasure in disproving the statement sometimes made that there is no sentiment in business."

Fish Has Only One Coat

Many animals and birds periodically have a new coat. Some of the fur or feathers drop out and are replaced by fresh. A fish, however, only has one coat of scales. As fish grow so the scales grow in proportion. The scales are really very thin, bony plates that overlap like the scales on a house top—Pearson's Weekly.

England Still Growing

England's population should attain its maximum figure about 1950, according to official statistics.

Bronchitis—Asthma Sufferers

Find Sure Relief This Quick Easy Way

There's nothing so safe and sure in the world—2 or 3 doses in sweetened hot water just before bedtime and many a sufferer from strangling chocking Asthma or Bronchitis has found relief and a good night's rest—for bad, old, persistent, bronchial coughs there is nothing quite so good as Buckley's. Get a bottle of Buckley's Mixture at Mac & Gidley's or any drug store with the understanding you must get satisfaction or money back.

"Little Stories for Bedtime" by Thornton W. Burgess

LIGHTFOOT DOES THE WISE THING

ALL the rest of that day the little deer, Lightfoot, lay in his bed, thinking of the things that had happened to him.

Lightfoot was a little deer who lived in a forest. He was a very wise deer and he was very kind to all the other animals in the forest.

One day, Lightfoot was out in the forest and he saw a very big tree. He went up to the tree and he saw a very big hole in the tree.

Lightfoot went up to the hole and he saw a very big animal. He was very scared and he ran away from the hole.

Lightfoot was very scared and he ran away from the hole. He was very scared and he ran away from the hole.

Lightfoot was very scared and he ran away from the hole. He was very scared and he ran away from the hole.

Lightfoot was very scared and he ran away from the hole. He was very scared and he ran away from the hole.

Farm Notes

(By Arthur Glidden, County Agricultural Agent)

Meat Cutting

A year ago at the Potato Show George Brown of the Animal Husbandry Department of Michigan State College, gave a demonstration on the cutting of meats. The work which Mr. Brown has been doing in this connection throughout the state has resulted in such demand for this type of information that the publication of the bulletin called "The Home Meat Supply" has been necessary to supply the demand.

This bulletin includes the slaughtering and butchering of hogs, beefs, veal, mutton, and lambs, and the cutting of the carcasses of these animals. A chapter is also included on curing and canning of meats.

The bulletin is not only complete but is also well illustrated with diagrams and pictures which make all operations easily understood.

This bulletin is available to people who wish it by either writing or calling at the County Agricultural Agent's office at Grayling.

Red Squill For Rats And Mice

Rats and mice are always a nuisance around the house or barn. Oftentimes fellows are apt to put up with their mischief until they go out to the barn some morning and find the grain for the cows strung all over the feed alley. After considerable time and trouble is expended in putting out arsenic or strychnine or some form of bait which might tempt the pests.

The main reason for putting

off the matter of killing rats until the place becomes badly infested is due to the fact that poisons are dangerous to have around. There is always the possibility that the wife's cat or the best hunting dog on the place will become poisoned and the rats still remain healthy. However, if red squill is used as the poison there is no danger of poisoning domestic animals or human beings.

Red squill is a peculiar kind of poison that will not effect dogs, cats or other domestic animals and if a human being should accidentally eat some of it, he will become uncomfortably sick, but not critically ill. However, this poison is very effective on rats or mice.

Red squill may be obtained in either the powdered or liquid form. The powdered form is a little easier to use, as it may be mixed with any cereal meal in the proportions of one part red squill by weight to ten parts of meal. One tablespoonful of red squill is about the right amount to sixteen tablespoonfuls of meal. It can also be put in the salt shaker and dusted over meats, fruits or fresh vegetables.

EIGHT VERTICAL WHITE LIGHTS

When the President of the United States is regularly embarked on board a ship of the United States Navy, but is absent therefrom at night with the intention of returning within 24 hours, his absence is indicated by eight vertical white lights displayed at the peak.

America's Class 1 railroads in 1935 put 312 new locomotives, 1,099,322 freight cars and 25,745 passenger cars into service.

LOVELLS

The Cheerful Givers met with Mrs. Edgar Caid last week. Jack Caid has returned to Lovells after visiting relatives in Detroit for a few weeks.

Mike McCormick was called to Detroit last week. His mother fell and broke her hip and word came that she was quite ill.

Mrs. Lola Papenfus is home from the hospital, but is still confined to her bed.

William T. Miller, who spent a few weeks at Detroit, is back in Lovells.

A. R. Caid is home again after spending the winter with his children in Bay City, Lansing and Detroit.

Myron Gregg of Cadillac is spending some time with his son, Glenn Gregg.

Charles Worst has returned home after spending the winter with his parents in Illinois.

Mr. and Mrs. Joseph Duby and Alfred Hanna, were callers in Grayling Monday.

Mr. and Mrs. John Peterson of Maple Forest are visiting Mrs. Peterson's parents, Mr. and Mrs. Roy Small.

Darwin Glen Gregg entertained 12 little friends on his 5th birthday. As his birthday was the 16th the color chosen was green. The cake was green with pink roses and tiny green candles.

Miss Hattie Small has gone to Frederic for the summer.

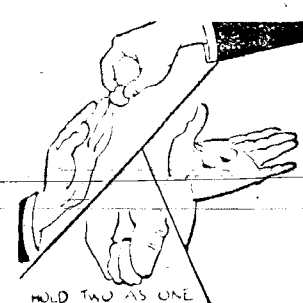

Our strongest convictions are usually on those subjects about which we know least.

Boleto Effect

Quaintly chic is this dainty frock of black and pink lace with its pleated ruffles and asort scarf. The bolero effect is only in front for the back is made in one piece. There is a black lace belt.

TRAVELING PAPER BALL

THE magazine shows two ways of paper, one in each hand. He asks a spectator to hold one paper ball; the magician places it within the pet's fist.

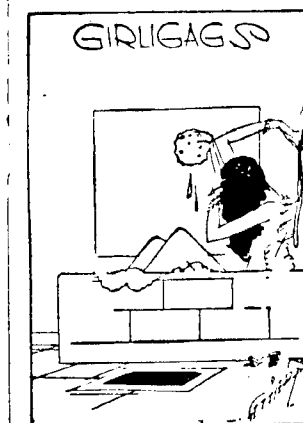

Then the magician pockets the second ball of paper. A mysterious snap of his fingers causes that ball to join the one which the spectator is holding. So the magician says, and his statement proves correct. Upon opening his hand, the spectator finds both paper balls.

Three balls of paper are used in the trick. In one hand the magician holds the two balls, and in the other he holds the third. This is a change which he places in the spectator's fist. Naturally, when he opens his hand, the spectator finds two instead of one.

Chief Glad-Hander

As the champion handshaker of them all, the world looks to Graham Hall of Houston, Texas, who is the president of the International Greeters of America. He and his fellow "greeters" met in Chicago to improve the courtesies and friendliness of their 5,000 greeters throughout North America.

"We're told when the grasshopper chirps it's positively warmer than 62 degrees Fahrenheit," says observing Olivia, "and anything below 62 degrees any janitor will tell you will start the apartment house dwellers chirping."

Rail Taxes 41% Of School Fund

RAILROADS PAY \$5,433 PRIMARY MONEY IN COUNTY

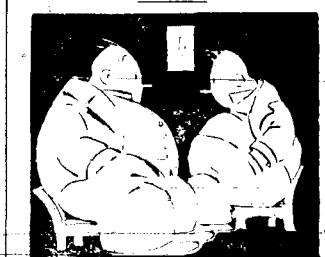

Lansing, March 18.—Of the 1,200 school children in Crawford county the education of 492, or 41%, is made possible largely through railroad taxes, according to Floyd E. Drake, executive secretary, Michigan Railroad Employees' and Citizens League.

Crawford county is receiving \$13,356 as its share of the state primary school fund, Drake explains, or at the rate of \$11.13 per school child. Of the \$15,492,385.59 in the 1935-36 fund the railroads through taxes paid \$6,591,907.10, or a sum equal to 41% of the total. On this basis railroad taxes made up \$5,433 of this county's share of the fund.

"The primary school fund is one of our state's more sacred funds, and, basically, finances the education currently of 1,391,843 Michigan children," Drake said. "Without this fund their schooling would be impaired or minimized. The biggest contributors to the fund are the railroads, whose taxes go to help go directly into it. This railroad prosperity is making possible, at least indirectly, the education of 570,656 of the state's children."

The railroads' tax contribution to the support of our state schools is another reason why the railroads, which play so vital a part in our economic life, should be compelled to continue to contribute to the fund. The railroads need understanding assistance if they are to continue as is expected of them, and if their aid to our primary school fund is to continue. To help the lines obtain that assistance, and incidentally at least, to secure future contributions by them to the school fund is the aim of our railroad employees and citizens league."

TOO ATTENTIVE

"I hear you took a disastrous plunge in Wall Street?" "Yes! I was sort of standing on the edge, and someone gave me a tip!"

To Help You Keep Abreast of the Times

So much is happening every day in the world of government that affects your living, income and buying power.

What is Congress doing? For what is money to be spent? How will they raise it? Who is to administer the spending? What does this business improvement mean? Will it continue? Why is there another side to so many questions?

All this makes you ask yourself—"How can I keep abreast of the times, understand what events mean, discuss national affairs intelligently?"

The United States News

Every week you find in The United States News a complete, accurate report of national affairs from Washington. News is grouped together in departments for your convenience. Simplified for quick reading. Connected for clearness and perspective.

Authoritative, concise, useable.

Here you find why it happened, what it means, and what is likely to happen next. The United States News is truly the newsmagazine of national affairs.

Subscribe today! Congress is in session. A presidential campaign is warming up. Party platforms are to be written. More vital questions of national policy will be discussed this year than ever before. Be posted. Know the facts. Make your own decisions. Back them up with a clear-cut understanding of what is going on.

ANNUAL TAX SALE

STATE OF MICHIGAN

County of Crawford

The Circuit Court for the County of Crawford, in Chancery.

In the matter of the petition of John J. O'Hara, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the April term of this court, to be held at City of Grayling in the County of Crawford, State of Michigan, on the 14th day of April A. D. 1936 at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the non claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the County seat of the County of Crawford (in the Court Room) State of Michigan, and that the sale thereon and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire amount thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be resold, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Victor D. Sprague, Circuit Judge, and the seal of said Circuit Court of Crawford County this 10th day of March, A. D. 1936.

Countersigned,

Axel M. Peterson, Clerk.

(SEAL)

VICTOR D. SPRAGUE,

Circuit Judge of the 33rd Judicial Circuit, acting, by assignment of the Presiding Circuit Judge of Michigan, in the 34th Judicial Circuit.

STATE OF MICHIGAN

To the Circuit Court for the County of Crawford in Chancery:

The petition of John J. O'Hara, Auditor General of the State of Michigan, for and in behalf of said State, respectfully shows that the list of lands hereinafter set forth and marked "Schedule A," contains a description of all lands in said County of Crawford upon which taxes were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid; together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1893, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid, except that lands included in said "Schedule A" for taxes of 1890 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 209 of the Public Acts of 1891, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid for taxes of 1890 or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made have been set aside by a court of competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows that in all cases where lands are included in "Schedule A," as aforesaid, for the first instalment of taxes of 1932, or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale, or sales, so made have been set aside by court of competent jurisdiction by Legislative Action (See Act 126, P. A. of 1933, as amended by Act 11, Extra Session of 1934, as amended by Act 73, P. A. of 1935), or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses as set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year after they were returned as delinquent and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of lands may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.

Dated March 7, 1936.

JOHN J. O'HARA,

Auditor General of the State of Michigan, for and in behalf of said State.

A list of the lands referred to as included in "Schedule A" is on file in the office of the County Clerk and subject to public inspection.

The Returned Delinquent Rolls and the Supplemental Returned Delinquent Rolls, together with the delinquent taxes of 1933, are all filed in the County Treasurer's office and contain the descriptions which will be offered for sale. They are subject to public inspection.
